

VOTE FOR:

FREDERICK

THE GREAT

“I am... the first
servant of the
state.”

What he did:

1. Granted many religious freedoms
2. Reduced censorship
3. Enhanced education
4. Reformed the justice system
5. Terminated the use of torture
6. Served and strengthened his country

He was one of the most famous German rulers of all time for his military successes and domestic reforms that made Prussia one of the leading European nations. Frederick devoted himself to building Prussia into a strong state and that meant both expansion and reform. He consequently did not rule by his own personal impulse, but always under the guidance of what was best for Prussia.
